#### **Two-for-One Free Admission to AIA Cincinnati Programs**

The AIA Cincinnati Board of Directors is excited to announce a new program for its members. Beginning January 2012, members may invite one non-member to attend an AIA Cincinnati Chapter program or event at no charge.

This new program is a member benefit to share our wonderful programs with your clients, guests, co-workers, related professionals, spouses, and other interested parties.

AIA Cincinnati 2012 President Chris Patek is eager to expand the AIA programs to the Greater Cincinnati community: "We on the Board are eager to see our members enjoy another benefit to membership in AIA Cincinnati. This program will help us see familiar faces and meet new supporters of the architectural profession."

The new program, called "Two for One" will be in effect during all of 2012 and applies to all AIA Cincinnati programs and events, except the annual AIA Awards Programs, the AIA Cincinnati Academy, and AIA Cincinnati Golf Outing.

The AIA Cincinnati Membership Committee is pleased to have developed this program for our members. "We feel this is a great opportunity to connect with prior and potential members who would like to see what AIA Cincinnati has to offer these days" says Larry Tokarsky, Membership Committee Chair, and 2012 Vice President. Comments on this new program may be forwarded to Pat Daugherty, our Executive Director or the Membership Committee.

Full details on the program are attached.
