Presented by:

Heapy Engineering & Key Blue Prints

Course Description:

Please join us and the winners of the 2011 Cincinnati Sustainability Awards for a special night to honor the 2011 COTE award winners and learn more about sustainability in Southwest Ohio. A representative from each project will give a brief presentation on their project followed by a panel discussion moderated by Mike Mauch, Owner RWA Architects. The panel discussion will focus on the sustainable design movement specific to SW Ohio and the future direction of sustainability in the region.

Learning Objectives: 1 hour CES

1. Learn about the 2011 COTE Sustainability Award winners from the design team themselves.
2. Learn about the COTE committee and the awards process.
3. Identify key sustainability concepts specific to Southwest Ohio and how they were incorporated into the winning projects.
4. Discuss the future of sustainability in a group forum and learn about the direction it may go in the region.
