## **MAY 22** **India Boyer: Ohio's First Female Registered Architect**

In 1941, India Boyer became the first female architect registered by examination in the State of Ohio. She joined the American Institute of Architects the following year, becoming AIA Cincinnati's first female member. During this program, we'll look at some of Boyer's original drawings and papers, and hear from early Boyer Guild members who had the opportunity to meet Boyer before her death in 1998. A reception with AIAS students will follow.
