Upcoming Events

APRIL 16

ARE - AIA Contracts Intro - A201

AIA Cincinnati's Early Professionals Committee will be hosting ARE study sessions to help candidates prepare, engage, and have questions answered by recently licensed architects that are familiar with the current testing. This program will focus on the A201, as it is the glue that holds the owner, architect, and contractor relationships together. Have you looked at the EP Resource page for links to [study materials and scholarships](#)?

APRIL 18

Parke MacDowell, AIA: Architecture, Making, and the Power of Shared Agency

Making clarifies ideas... clear ideas enable decisions... decisions move projects forward! This session advocates for embedding fabrication within architectural practice to enhance design, control risk, and add value. This approach positions end-users as co-authors, predisposing successful projects where the community served by the work feels a sense of ownership in the design process. **1 LU/HSW.**
