

2024 SPONSORSHIP OPPORTUNITIES

YOUR **PARTNER** FOR 2024

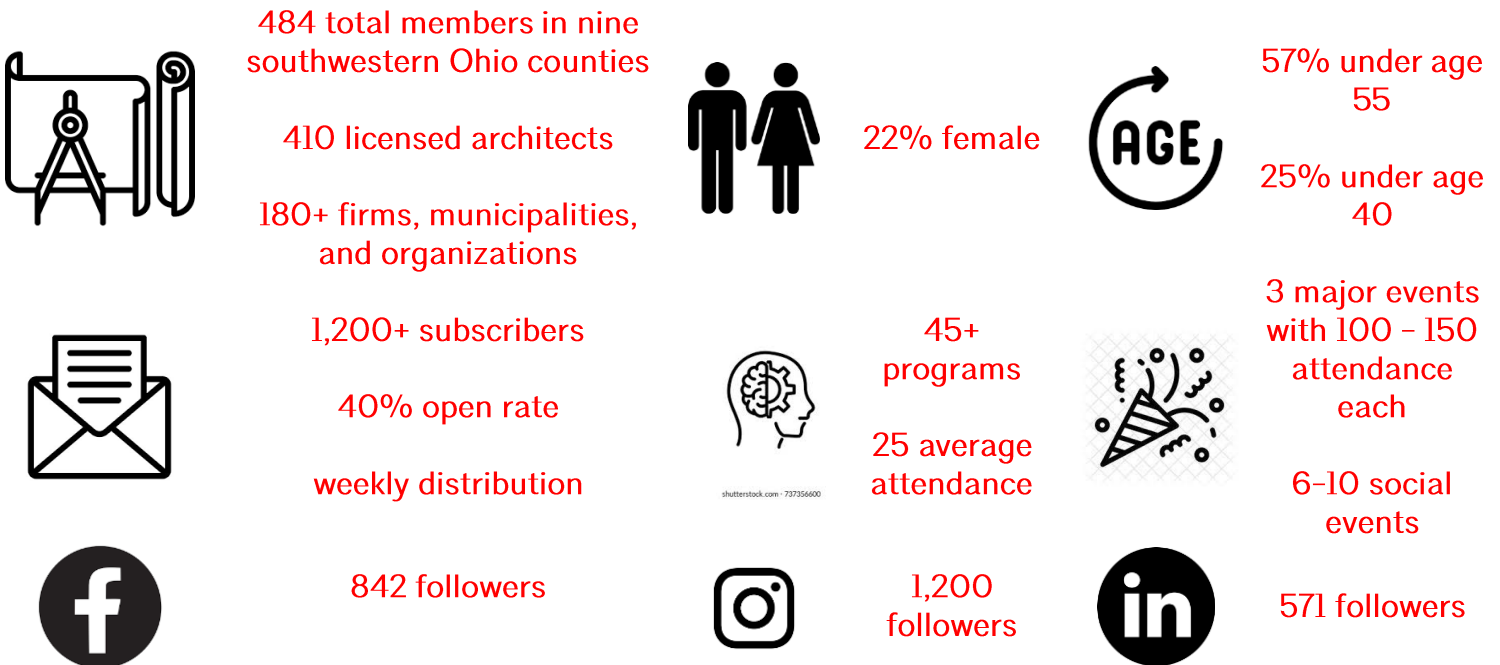

AIA Cincinnati welcomes your partnership as we celebrate architecture and design in Cincinnati and the surrounding areas. This package is your guide to our sponsorship opportunities for our programs and events. We highlight sponsors with a comprehensive package of benefits exclusive to each event, putting your company in front of Cincinnati architects and design professionals. We bring together building-industry professionals through a variety of events, continuing education courses, and special programs.

Who is AIA Cincinnati?

AIA Cincinnati is a [member-led](#) organization supporting the future of the architecture profession and our communities through advocacy, education, and connection.

AIA Cincinnati's vision is an empowered, diverse community of architects leading the creation and preservation of well-designed, equitable, and sustainable built environments.

Who does AIA Cincinnati serve and what is our reach?

Why sponsor AIA Cincinnati?

AIA Cincinnati **sponsors are our partners** in providing information, resources, support, and benefits for our members and to our community.

Sponsors have **exclusive opportunities** to reach and be recognized as leaders in our industry.

Chapter programs and events offer unique opportunities to **promote your business directly to local architecture firms and allied industries.**

Sponsorship **demonstrates your leadership and commitment** in areas that matter to your business, **differentiating your company** from the competition.

SPONSORSHIP OPPORTUNITIES AT-A-GLANCE

AIA Cincinnati Member Groups and Program Committees:

AIA Cincinnati's members drive the groups and committees that run the chapter's programming; several have sponsorship opportunities available. *For more information, contact Julie Carpenter julie@aiacincinnati.org or 513-609-2757.*

Committee on the Environment (COTE)

AIA Cincinnati's COTE works for architects, allied professionals, and the public to achieve climate action and climate justice through design. Their purpose is to advance knowledge of sustainable design for local architects and designers; build relationships with elected officials to advocate for sustainable building; offer events in our community that advance sustainability; and collaborate with industry partners.

2024 Sponsorship Opportunities

Ice Box Challenge (summer) is a fun and interactive public installation and contest demonstrating Passive House's advantages. Two 6' square boxes are filled with an equal amount of ice and displayed for public viewing for one week. One box will be constructed to local building regulations, while the other will meet the international Passive House Standard, a highly energy-efficient building performance standard. Each box is filled with an equal amount of ice at the beginning of the experiment, and at the end of the week the amount of ice left in each box will be measured, with the level of ice remaining used to demonstrate how well each ice box passively kept out the heat. Programs for design professionals and the public will be held to share information on specific materials and technologies, as well as to raise awareness of Passive House construction.

- Sponsorship opportunities will secure materials and construction. Details will be available soon.

Tours (spring and autumn) are planned of native planting at the Black Music Walk of Fame, a CLT construction site, and a passive house construction site.

- Sponsorship of \$250 is available for each tour.

Early Professionals

The AIA Cincinnati Early Professionals provides opportunities for architecture graduates working toward licensure and architects licensed for less than ten years to gather for social connection, professional development, and networking. EP also manages the ARE resource library and study groups.

2024 Sponsorship Opportunities

ARE Study Sessions (all year) EP offers a mix of virtual and in-person study sessions and lectures to help prepare for the architecture licensing exams.

- Sponsorship opportunities available soon.

Socials (quarterly) EP invites design professionals and allied industries to social events to network and start relationships that help build a career.

- Sponsorship of \$500 for each social (in-kind option available)

Women in Architecture

The AIA Cincinnati Women in Architecture community works with the Boyer Guild, NAWIC and other AEC industry groups to cultivate a network of women working in the field of architecture. Socials provide networking and community building opportunities. Programs include tours and guest speakers.
