

Architectural Intern

CITYSTUDIOS ARCHITECTURE is looking to expand our architectural team! Located in Over-the-Rhine, we are dedicated to our work in dynamic, thriving urban neighborhoods. Our wide variety of projects includes both new construction and rehabilitation projects for market rate residential, multi-family and senior affordable housing, social services, private and co-working office spaces, restaurant space, retail space and community gathering spaces.

In addition to a shared passion and dedication to the type of work that we do, CITY STUDIOS is looking for an architectural graduate to join our team. Candidate must be team-orientated, self-motivated and possess strong communication skills. Knowledge of AutoCad and Sketchup are required as well as experience with consultant coordination. Please submit your resume and portfolio for consideration to dheil@citystudiosarch.com.
