

CR architecture + design

Celebrating 40+ years of *Creating Extraordinary Places*

BIM MANAGER

Are you stuck in some sort of BIM Coordination role for your firm, *while* still being expected to deliver production on projects?

Are you the "**BIM go-to person for the firm,**" ready to operate *solely* in a BIM capacity...**AND Create & Build-out your own BIM department within a firm?**

Then we would love to chat!

THE CHALLENGE

CR architecture + design's **BIM Manager** will perform as a BIM/Revit leader and support specialist. This BIM Manager's top priority is to ensure that CR's project teams are operating at maximum efficiency, as it relates to the utilization of BIM software. As a BIM Manager you will also be responsible for implementation, adoption, training, standards, and best practices. This BIM Manager will continuously analyze and proactively drive innovative solutions and best-in-class practices and participate and lead BIM research and development of BIM within CR.

As **BIM Manager**, you will take ownership of implementing and maintaining BIM processes and standards companywide.

HOW YOU SUCCEED

- Manage software products including incorporating new version releases and customizations.
- Responsible for CR's overall BIM standards development, implementation, and enforcement.
- Provide oversight to quality control for completeness and adherence to CR's standards of all drawing produced.
- Provide hardware and network support for employees as it relates to BIM production and troubleshoot problems.
- Provide Revit Fundamental and Intermediate training to staff along with continuing education training sessions.

WHAT YOU NEED

- Bachelor's Degree in Architecture, Interior Design, Engineering or equivalent.
- 5+ years' production experience in architectural design / drafting.
- 5+ years' experience as a BIM Manager.

- An in-depth working knowledge of Revit with an emphasis on project setup.
- Share a passion for BIM/Revit; champion learning; and timely troubleshoot ever-changing business demands and challenges.
