

HERITAGE OHIO SASH MOB

They're caked with paint, riddled with cracked glass, drafty, and they've been stuck shut longer than you've been alive. If we've described the window situation in your historic house, then it's time to do something about it, and we don't mean replace them. Heritage Ohio is excited to announce that we're bringing old windows guru Jim Turner back to Ohio to help us conduct a #SashMob2017 in Cincinnati in May, and you're invited.

Continuing Education

This 3 day workshop series offers up to 20 AIA HSW continuing education credits in total!

Friday Sessions

The callsroom style sessions taking place on Friday the 19th will cover everything you need to know about wood windows! Learn how to make your windows energy efficient and come "Ask an Expert" with window restoration specialist and National Trust Advisor Jim Turner, of Turner Restoration. If you don't need expert advice than you can join us for a tour of the Community Matters complex and learn about the amazing projects and work that this organization has been able to do in the Lower Price Hill neighborhood.

Friday Night Happy Hour

Want to keep the networking going and have a good time? We will be hosting a happy hour in Cincinnati following the workshop on Friday.

Weekend Hands-On Workshop

If you've ever wanted to learn about making your old windows functional, energy efficient, or just more attractive; or, if you're ready to tackle your own windows DIY project, but don't know where to begin, then the weekend hands-on workshop is the answer for you!

More Info

Go to www.heritageohio.org for more information and to register to join us in Cincinnati.

Join us for this awesome wood windows workshop weekend!
