

**Position** Architect

**Location / Office** Cincinnati

**Primary Responsibilities** An opportunity exists for a dynamic Architect to join our Cincinnati team. Qualified candidates must have a professional degree and be a registered Architect. Experience or knowledge of Revit, AutoCAD, SketchUp, PhotoShop and similar graphics software, is preferred. Strong graphic and verbal communications skills are critical. This position includes the opportunity to get involved with a variety of projects, including higher education, healthcare, municipal and commercial projects.

- Essential Functions**
- Work in a team environment.
  - Assist in design and presentation documents.
  - Prepare building concept and construction documents.
  - Conduct material and product research as required for project development.
  - Perform other duties as assigned.
  - Occasional travel may be required.

**Minimum Physical Requirements** Mobility to work in an office setting, use standard office equipment, visual acuity to read printed materials and a computer screen; and hearing and speech to communicate in person or over the telephone. Accommodation may be made for some of these physical demands for otherwise qualified individuals who require and request such accommodation.

**Desired Degree** Master of Architecture degree from an accredited university.

- Desired Job Experience**
- 5+ years of experience, preferred.
  - Ideal candidate will have experience in developing projects using Revit, AutoCAD, and Sketch-Up.
  - Good design and presentation skills.
  - Must possess good written and verbal communication skills, and strong organizational skills.
  - Very detail-oriented, self-motivated, enthusiastic, and flexible.
  - Ability to work well with others under demanding deadline situations.
